We are scheduled to commence works in front of apartments 12-44 Turner Avenue during the week commencing 20th October 2025.

The works will involve upgrading the footpath paving, improving associated drainage, and enhancing the soft landscaping. A new bin store will also be installed as part of the project.

The works are scheduled to take up to 10 – 12 weeks.

If you have any queries please contact me on the above details.

We apologise in advance for any inconvenience and will do our best to minimise the impact of these works.
