NEW CRANLEIGH LEISURE CENTRE

COMMUNITY ENGAGEMENT

Introduction

DPP is preparing to submit a planning application on behalf of Waverley Borough Council, for the NEW Cranleigh Leisure Centre at Village Way, Cranleigh, GU6 8AF.

The new energy efficient leisure centre being designed to Passivhaus standards will replace the existing leisure centre that will be demolished when the new centre is open. The planning application currently being prepared, will have details about the new building, the landscaping, and new car park layout.

DPP is aiming to submit the planning application for Waverley Borough Council in late spring/early summer this year. Before we do, we would like to share the concept designs and layouts with you that have been prepared by GT3 Architects and the other specialist consultants.

The Site

The red line below outlines the boundary of the site, the green and orange squares indicate the existing and proposed leisure centre locations:

Have your say

You can view the plans and talk to our team at the community drop in sessions. If you can't make the drop in sessions, have a look online - the links to our website and Waverley Borough Council's online information hub are on the back of this leaflet.

Drop in sessions: all welcome!

Friday 15th March 2024, doors open from 2pm - 7pm at Cranleigh Village Hall; AND

Saturday 16th March 2024 from 10am - 1pm at Cranleigh Leisure Centre

Pop in at a time that suits you, have a look at the information boards, speak to the team, and ask us any questions.

Existing Leisure Centre

Cranleigh Village Hall
