Wellcroft

At this site, we are planning to plant approximately 6 standard trees (larger trees, approximately 6 to 8 ft tall), the locations of which are shown in the above maps, where yellow points represent standards. Standard tree planting will occur over the next couple of years.

Quarry Farm Road

At this site, we are planning to plant approximately 1,484 whips (small saplings), the locations of which are shown in the above map, where blue shapes represent whip planting which will take place this winter from November to February.

Please note - this plan will undergo an Environmental Impact Assessment so the final tree numbers will differ to those quoted above. The site will have a detailed woodland design which will be required to be signed off by the Forestry Commission.

Kirk Lane Park

At this site, we are planning to plant approximately 8 standard trees (larger trees, approximately 6 to 8 ft tall), the locations of which are shown in the above maps, where yellow points represent standards. Standard tree planting will occur over the next couple of years.
