NOTICE TO RESIDENTS
January 2025

Gloucester, Griffin and Willan Road closures

UK Power Network need to decommission the electrical substation and relocate the power cables on the former Tangmere site.

They will start on site on Monday 6 January 2025 and plan to be finished by the end of March 2025.

Some areas of Gloucester, Griffin and Willan Road will need to be closed between 10pm and 6am on some dates* to allow UKPN to carry out the work.

Did you receive your booklet?

*We have sent all residents an information booklet with the dates and times of the road closures.

If you haven't received a booklet, please contact bwf@haringey.gov.uk or visit the community centre for a hard copy.

If you have any questions, please contact us:
